Dear Parents/Guardians,

NUT ALLERGY AWARENESS

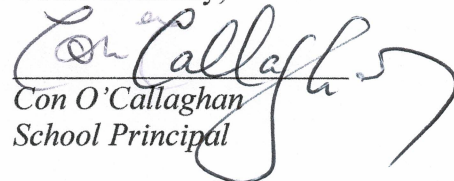

Please note that we have a pupil at Knocknamanagh NS who has a **NUT ALLERGY**, in particular, **PISTACHIO NUTS, CASHEW NUTS & NUTS CONTAINED IN PESTO SAUCE**. We request that pupils avoid nuts and peanut butter at school.

The Board hopes to provide a safe environment for everyone and asks parents, staff, pupils and school visitors for their co-operation. Because the consequences of a child having an allergic reaction can be serious, the Board assumes that the whole school community will assist in making the school as safe as is reasonably possible for each child.

HEALTH ADVICE

There are pupils in the school who have underlying health conditions. Please advise the school if a family member has chickenpox or the vomiting bug.

Yours faithfully,

Con O'Callaghan
School Principal
